

January 16th, 2015

Dear Michelle,

Caring for Cambodia would like to use this opportunity to send a warm Thank You to the Girls Scout troops in Singapore.

All the medical supply had been sort out and packed already. Many of those bags are making their way to Siem Reap this week. This donation is really fulfilling a need in our school in Siem Reap so we put it on our priority list.

Each time we receive a donation, it is a step toward achieving our goals and give a better life to those children.

Thank you so much!

Kind Regards,

Diane Dube
